PUBLIC COMMENT

Charles Samscock informed us of downed wires for Frontier. He asked if Solicitor Conaboy would send a letter to the PUC. The team agreed that this was doable, and Jerry would gather the numbers from the affected poles. Solicitor Conaboy would then send the letter.

Jerry and Lenay Blackwell shared their experience with Xfinity impersonators calling customers to say they were lowering bills by \$20.00. It was a scam. They shared this so Ransom residents would not be taken in by the scam.

Having no further business, Supervisor Wells motioned to adjourn the meeting and Chairman Bird seconded it. Meeting adjourned at 6:15pm.

Respectfully submitted:
