PUBLIC COMMENT

Paula Noto – Internet reports the solar farm as starting in January which is not true as they are still in the planning process and is not approved yet.

Jim Kashuba and Angelika Mercado – Discussed Evergreen Drive and Gardner Creek seeking the responsible party for the flooding issue. Planned to see if state government can help

Dan Powell – The cemetery on Snake Road is not in favor of the gun range as it would negatively impact the grieving process.

Jerry Blackwell – Is money from landfill factored into police cost. The answer was yes.

Elaine Bartholme – On Main Street the neighbor is making a junkyard. Chairman Bird shared that the police will enforce the zoning.

Having no further business or public comment, Chairman Bird made a motion to adjourn, seconded by Supervisor Wells- all in favor- meeting adjourned at 6:59pm.

Respectfully submitted:
